APPLICANTS RECORD OF THE SUBSTANCE OF INTERVIEW
UNDER 37 C.F.R. § 1.133(b)

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants are in receipt of the Interview Summary dated June 11, 2007 for the above-identified matter. Applicants' Representative, Matthew W. Adams (Reg. No. 43,459) appreciates the Examiner's time in discussing the application as of June 7, 2007.

In particular, some claims, e.g., claims 1 and 38, were briefly discussed in the context of Jaeger (U.S. Pat. App. Pub. 2001/0050284) as that document was applied in the 35 USC §§ 102(b) and 103(a) rejections made in the February 20, 2007 Office Action. Applicants' representative sought additional information to clarify these rejections. While no agreement was reached regarding particular claim amendments, it is believed that the Amendment and Response submitted June 20, 2007 includes amendments that conform to the substance of the interview discussion (e.g., claims 1 and 38 now recite a one-piece container body). Other amendments were also made in an effort to move this application forward.
